Forecast for Sunday 01 Nov 2020

Weather: Early rain will clear northeastwards to a mix of scattered blustery showers and sunny spells throughout the day. These showers could be heavy in the west of the area with some snow on the higher Munros.

Chance of cloud free mountain/hill tops above 800m: Low through the early part of the morning in association with rain but moderate or high throughout the rest of the day outside of any heavy showers.

Visibility: Moderate or poor at first but generally good outside of showers later.
